HELP THE PTA

I know, I know- you've tried the PTA in the past and haven't found a good fit for yourself. PLEASE try us again. Come to our next meeting on:

We want to **Increase** our parent participation; **Renew** our commitment to our kids; **Reinvigorate** all the current hard working PTA officers and members; and **Reinvent** what PTA means to the RFE community.

We are looking for Suggestions. What do ***you*** want to see happen in the PTA? Let us know: _____
